QUOTE OF THE DAY

“Examine each question in terms of what is ethically and aesthetically right, as well as what is economically expedient.” – Aldo Leopold

“Music makes us want to live. You don't know how many times people have told me that they'd been down and depressed and just wanted to die. But then a special song caught their ear and that helped give them renewed strength. That's the power music has.” – Mary J. Blige

“The stupid believe that to be truthful is easy; only the artist, the great artist, knows how difficult it is.” – Willa Cather

“You don't have to burn books to destroy a culture. Just get people to stop reading them.” – Ray Bradbury

“If men would consider not so much where they differ, as wherein they agree, there would be far less of uncharitableness and angry feeling in the world.” – Joseph Addison
